73 Route de Cannes – 06130 GRASSE

For over 250 years, the PARFUMERIE GALIMARD has been following the same traditions as its renowned founder and uses the very processes which made its name famous.

As in the past, our source is the nature of Grasse - jasmine, rose, lavender, orange flower, tuberose - from which we obtain our rich scents. Only the use of traditional methods can guarantee their incomparable fine quality.

Parfumerie Fragonard

20 Boulevard Fragonard – 06130 GRASSE

Our historic perfume factory in the heart of the Old Town is one of the oldest in Grasse, for our present premises housed perfume making from their construction in 1782. In 1926 they took the name of Parfumerie Fragonard as a tribute to the famous painter Jean-Honoré Fragonard. Here on a daily basis we produce our perfumes, cosmetics and soaps in a setting imbued with respect for tradition.
