HOTEL & RESTAURANT CANTEMERLE

The restaurant at this 3-star hotel of genuine charm is henceforth open to all those looking for fresh, seasonal cuisine in a secret garden.

In a wooded park of 2.5 acres, the Cantemerle is, in fact, now managed by a chef, Jérôme Héraud. Inspired by Provence but also more distant lands, he proposes grilled meat and fish *à la plancha* accompanied by vegetables tossed in the wok, crayfish ravioli, low-calory dishes, raspberry soufflé....

Lunch formulas from 25 €, evenings from 32 €.

A real Garden of Eden.
